Faculty Housing

GARBAGE AND RECYCLING SCHEDULE

Remember:

Property Management Staff will move the bins and boxes to the curb to be emptied and back again.

- Please put your **bagged and sealed household waste** and **clean and rinsed recyclables** in the appropriate designated bins and boxes outside your unit the day before the collection date in order for it to be ready for pickup.

- Please make sure to firmly replace and lock lids on bins after use, and to refrain from leaving garbage on the ground so as to not encourage visits by our local wildlife.
